SUBJECT: Update of Legislative Branch Holders of  
SCI Access Authorizations

REFERENCE: SECOM-D-321, dated 21Apr78, same subject

Attached is the computer listing of all Legislative Branch employees having access to SCI materials. CIA/OLC informed me yesterday that names of Congressmen and their clearances could not be provided in such a listing. They said that Congressmen are elected members of the Congress and are not issued clearances, and they do not have background investigations to get any clearance. Their need-to-know is based on their committee assignments. The only clearance information that can be provided on the various committees is on the committee staffs.

If you have any further questions on the computer run, please give me a call,
